

## WHAT IS SYMPLICITY?

Symlicity is a web-based software program that provides access to job postings, employer research, On-Campus Interviewing and more. **It is available to students 24 hours a day from any computer that has Internet access.** More detailed instructions are available in the OCI Policies and Procedures handout.

In order to access Symlicity, you will need a **username** and **password**.

- **First Year Students:** 1L students will receive information on obtaining their username and password sometime at the beginning of November.
- **Second and Third Year Students:** A student's username and password remains the same throughout all three years of law school.

If you have forgotten or lost your password, you must visit the Symlicity website and click the appropriate link to retrieve it.
